

**IBC**, based in Germany, has been manufacturing high precision ball and roller bearings for over 40 years continuing the founder's precision engineering traditions dating back to 1918.

**ABT Bearing** carries a complete line of IBC Spindle Bearings, ready to ship to you and your customers.

## IBC Bearing Range

### IBC Super Precision Bearings

- IBC High Precision Angular contact ball bearings
- IBC High Precision Cylindrical Roller Bearings
- IBC Ball Screw Support Bearings
- IBC Precision Locknuts

### IBC Industrial Bearings

- IBC Deep Groove Ball Bearings
- IBC 40° Angular Contact Ball Bearings
- IBC Cylindrical Roller Bearings
- IBC Linear Motion Bearings and Telescopic Guides
- IBC High Precision Rolling Bearings with ATCoat Coating

### Applications:

- Machine tool spindles
- Machine tool main axes
- Pumps
- Compressors
- Fans
- Separators

### Industry Sectors:

- Machine tool
- Food industry
- Vacuum technology
- Civil engineering
- Chemical
- Mining

## IBC Spindle Bearings (High Precision Angular Contact Ball Bearings)

IBC's Spindle Bearings are high precision angular contact ball bearings made for machine tools with 15° and 25° contact angles.

	15° Interchange	25° Interchange
IBC	7014.C.T.P4ADUL	7014.E.T.P4A.DUL
FAFNIR	2MM9114WICRDUL	3MM9114WICRDUL
RHP	7014CTRDULP3	7014A5TRDULP3
NSK	7014CTYNDULP4	7014A5TYNDULP4
FAG	B7014-C-T-P4S-DUL	B7014-E-T-P4S-DUL

IBC also offers sealed versions!

### Nomenclature:

7014.C.T.2RSZ.P4A.DUL

71900 (7900), 7000, 7200 series available from stock with above specifications.

Sealed (2RS) and Ceramic Balls (CB prefix) also available directly from factory with minimum lead time.

## IBC Ball Screw support Bearings

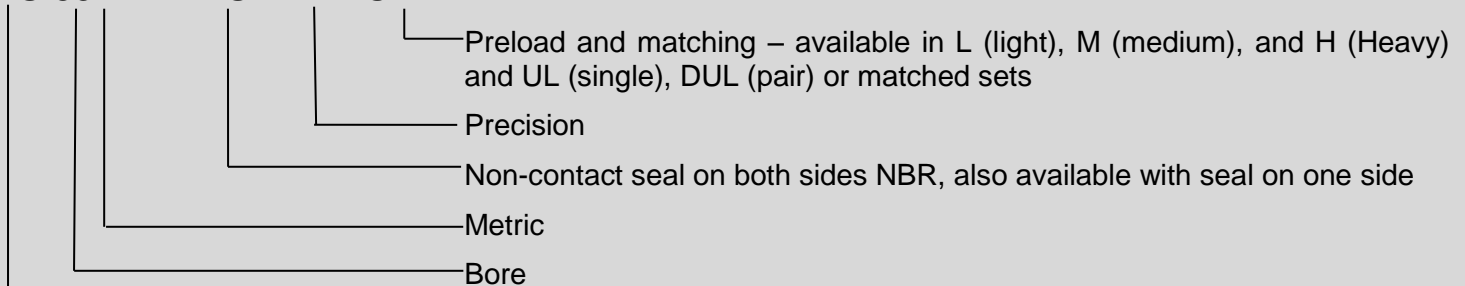

IBC	BS 35M72.2RSZ.P4A.UM
FAFNIR	MM 35 BS 72 L
RHP	BSB035072 L P3
NSK	35 TAC 72B SU C9 N7B
NACHI	35 TAB 07 U-GM P4

IBC also offers sealed versions!

### Nomenclature:

BS 35M72.2RSZ.P4A.UM

BS = single ball screw bearing, BSD = double row without flange, BSDF = double row with flange

We also have our IBC Ball Screw support Bearings available in inch sizes.
